V. UNFINISHED BUSINESS:

VI. NEW BUSINESS:

1. Michelle Irwin presentation on PIRS 5-5:30PM Sullenberger
Michelle gave a presentation explaining the programs and services available through PIRS complete with flyers.
2. NAMI California Advocacy Network Madsen via face time.
Madsen has been in touch with NAMI California and February 19th is Lobby Day. She didn't see any bills we need to be involved with at this time but encourages all to check their website for future legislation that may need advocacy.
3. NAMI Walks May 7th, 2016, kickoff luncheon March 11th for all Captains. Palma
Sheree needs our help with the luncheon and encourages the board members to each have their own team.
4. Planning Commission Meeting January 19th. Palma
This meeting has been cancelled and the hospital site has been withdrawn.
5. Brochures and promotional items for NAMI Placer County. Palma
We need to order new brochures and will take one home to mark up for corrections. Please bring them to the next board meeting. We will enlist help to have a new brochure printed. We voted down promotional items as we agreed money would be better spent buying informational brochures from NAMI on mental illnesses.
6. NAMI California Affiliate Annual Survey Palma

We reviewed the survey and discussed involvement in our community.

7. New Volunteer Knox Capre Daniels
Knox contacted us via the warm line and has expressed interest in volunteering to help with the warm line. He has experience in the mental health field. He was advised to join NAMI Placer County, inform Daniels of his membership and she will begin training.

VII. COMMENTS:

VIII. ADJOURNMENT: Daniels moved to adjourn at 6:30, Sullenberger seconded.

Next Board meeting: February 11, 2016 Advocates for Mentally Ill Housing
